**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a home-owner with only one fiber provider to my residence. I want more competition available to drive down prices and encourage improved service. My current provider is good, but I want guarantees for both myself, and everyone else around the country, that they have market incentives to stay that way. Having strong broadband access is critical to both my work and home lives.

Thanks for your consideration!
